

BRIDE'S FATHER AIDS ELOPEMENT

He Took the Girl's Part When
Her Mother Opposed Her
Getting Married.

WINCHESTER, VA., March 9.—Plotted by the bride's father, after her mother violently opposed her marriage, Miss Nora Naomi Pentz came to Winchester last night from Charlottesville, W. Va., with Frank Joseph Kralch, of Philadelphia, and they were married by Rev. Dr. James R. Graham, pastor emeritus of the Presbyterian Church.

The girl's father, James L. Pentz, a wealthy merchant of Charlottesville, accompanied them, and gave the bride \$100 in gold for spending money on her wedding trip, which includes the Mardi Gras at New Orleans, Palm Beach and other Florida resorts.

A DIVORCE COUPLE.
The parents of the bride were divorced some years ago, and she has been staying with her mother. In the meantime Mr. Pentz was married again.

The entire plant of the Vienna Bakery, one of the most complete establishments of the kind in Virginia, was destroyed by fire at an early hour this morning, causing a loss of several thousand dollars, partly covered by insurance.

While running to the fire one of the Sarah Zane Fire Company's horses fell over a pile of lumber in the dark and was severely injured.

SET FIRE TO HOUSE.
The little daughter of George W. Armel, this county, set fire to the house to which she was going to light a lamp with paper.

Armed with a match, she entered the room, rushed into the room and rescued her daughter, after which the flames were extinguished. Mrs. Armel then fainted.

ANOTHER WONDERFUL CURE BY CUTICURA

Writing under date of Sept. 7, 1904, Mrs. Mattie Shaffer, of Cumberland, Miss., says: "Some time ago I ordered and received your wonderful Cuticura Remedies, which I used on my little afflicted babe with wonderful results. I had tried many other remedies without any benefit whatever, and Cuticura came to the rescue when my doctors and all other remedies had failed. One doctor pronounced it scrofula, the other eczema. The little one was one solid sore, with scabs and scabs from head to foot, when I started using Cuticura Soap and Ointment. The result was wonderful, and now my baby's face and body are smooth and clear."

AMENDED TREATY TO BE REPORTED

Vote in Committee Considering
Santo Domingo Matter Di-
vided on Party Lines.

(By Associated Press.)
WASHINGTON, March 9.—The Committee on Foreign Relations to-day agreed to report favorably the Santo Domingo treaty as amended. The vote was on party lines, every Republican voting for the treaty and every Democrat voting against it. All members of the committee were present, and the vote stood: For the treaty—Messrs. Cullom, Frye, Lodge, Clark (Wyoming), Foraker, Spooner and Keam. Against the treaty—Messrs. Morgan, Bacon, Money, Clark (Montana) and McCreary. There is one vacancy on the committee, caused by the election of Senator Fairbanks to the vice-presidency.

Morgan's Resolution.

Senator Morgan presented a resolution, disclaiming the necessity for the application of the Monroe doctrine to the case of the Dominican government, and asked to have it adopted by the committee and offered in the Senate for consideration. The sentiment in the committee was against the adoption of the resolution, and it was voted down. It was understood that in voting not to report the resolution the members did not express an opinion as to its merits, but that the sentiment of the Senate was shown by the amendments which strike out of the treaty all that part which seemed to define the Monroe doctrine and give it specific application to the Santo Domingo case.

Division in Senate.

The division of the Senate committee on party lines caused considerable gossip among senators as to whether that division would be followed in the Senate when the treaty is voted upon. No one felt authorized to speak for the different parties, but the opinion was expressed that if the Republicans could stand for the treaty it was doubtful if the Democrats would feel like taking the responsibility of defeating it, as they could do by a strict party vote. As the Senate stands now there are 56 Republicans and 31 Democrats, with 10 members in between, and also that two Republicans, Senators Burton and Mill, will not vote or be pulled in this or any other matter coming before the Senate. As a two-thirds vote is necessary to ratify the treaty, it will require 38 votes to accomplish this end.

The Republican leaders in the Senate still lack assurance of the full support of their party in the Senate, but on the other hand, have received intimations that a few votes may swing from the Democratic side of the chamber.

COURT ADJOURNS.

Federal Tribunal Will Meet Here Again in May.

The United States Circuit Court of Appeals yesterday adjourned after a busy session of a fortnight, during which all the cases on the argument docket of the court were argued and submitted. There were present at the time of adjournment the chief justice, Judge Nathan, and the judges of the court, Judge Nathan, Judge James E. Boyd, of Greensboro, and Circuit Judge Jeter C. Pritchard, of Asheville, N. C. District Judge Henry C. McDowell, of Lynchburg, Va., and District Judge Edmund Washburn, Jr., of Richmond, were in attendance during the term.

The May term of the court will convene in Richmond, but it is expected that the court will adjourn to Asheville, N. C. District Judges Morris, of Baltimore, and at St. Louis, Mo., and other judges will probably be in attendance also. Judge Boyd, of the Western District of North Carolina, has been designated to hold a special term of the Circuit Court of the United States at Columbia, S. C., beginning next Monday.

Another thousand dollars has been appropriated by Congress for the purchase of volumes for the library of this court, and the purchase will soon be made. Deputy Clerk Dean is taking great interest and pride in the library, which is already a very valuable one for reference.

MR. DEYER MENTIONED.

Possible That He Will Succeed Capt. Rogers in Event of Change.

The announcement of the probable appointment by President Roosevelt of some one to succeed Internal Revenue collector "Sam Rogers" has given rise to considerable speculation as to the probable appointee. Ex-United States Marshal Morgan Treat was considered at least a possibility for the position, this theory being based upon the fact that Mr. Treat had made a good impression on Mr. Rogers' successor to report. Nothing further has been heard as to this report, although reference has been made to the fact that Mr. Treat was endeavoring to ascertain who had filed statements and charges concerning him with the Department of Justice.

The Treat possibility has apparently been dismissed, and speculative minds are casting about for a probable appointee. The rumor is that Mr. Robert O. Deyer, the present chief deputy in Collector Rogers' office, is an excellent show of getting the collectorship position.

Mr. Deyer was a classmate at the Columbian University of George Washington University at Washington with Mr. George B. Cortelyou, former secretary of the Department of Commerce and Labor, and now Postmaster General. Mr. Cortelyou, it would seem, has the confidence of the President to an unusual degree, and the prospects of Mr. Deyer's appointment as collector are in no measure based upon Mr. Cortelyou's acquaintance with him and his own fitness for the place. Mr. Deyer was at one time an apprentice in the law, but would not press his application so long as there was a possibility of the reappointment of his chief.

Not Yet in Any Shape.

Regarding the reports that Mr. Charles M. Guggenheimer, a prominent merchant and banker, will have a department store here, Mr. Guggenheimer made last night if a store be established in Richmond that it would be a stock company, and in that event he would only be interested as a stockholder. When questioned further he said he was not yet in shape to be talked about.

It is learned to-day that a shipping vessel, in charge of Captain H. I. Powers, of New York, was beached during a gale Sunday night off the coast near here, and the vessel will likely be a total wreck, and the chances of getting her off the beach are slim. She was en route from New York to southern ports.
